ORACLE LIFETIME SUPPORT

From Five Years To Forever

ORACLE LIFETIME SUPPORT POLICY

With Oracle Support, you know up front and with certainty how long your Oracle products are supported. The Lifetime Support Policy provides access to technical experts for as long as you license your Oracle products and consists of three support stages: Premier Support, Extended Support, and Sustaining Support. It delivers maximum value by providing you with rights to major product releases so you can take full advantage of technology and product enhancements. Your technology and your business keep moving forward together.

Premier Support provides a standard five-year support policy for Oracle Technology products. You can extend support for an additional three years with Extended Support for specific releases or receive indefinite technical support with Sustaining Support.
